

Dear participant,

we are looking forward to meet you at the **European Footbike Championship 2017** in Austria / Salzburg!

This is our attempt to provide you all the information for the event. Keep an eye on the website for latest updates:

<http://www.tritt.at/european-footbike-championships-2017-austria/>

At the registration you will receive your transponder and number, that you will keep until the end of the event. There will be no deposit for the transponder, but please don't forget to return it on sunday. If lost, we have to charge you 50€. Main registration is on Friday - but there are defined registration times ahead of every race.

All registered participants will receive a T-shirt - you can choose the size and decide whether you want yellow or grey (as long as in stock). A few T-shirts will be on sale for 22€ per piece.

### **Food**

We have prepared a coupon system for the food - so you can buy what you need and want at the registration.

During the Sprints on **Friday** in Rif and during the Marathon at the Salzburgring on **Sunday** there will be a food stand - so you simply buy what you need and like. This service is provided by the USC Koppl.

For **Friday** evening we will have a buffet with "Wienerschnitzel" and much more at the Kirchenwirt in Koppl - 17€/person 12€/children under 12 years. It will start around 18:30 / 19:00 - and there will be an open end party. During the party we will have a tombola with the start numbers - there is only one - but a great price - a Kickbike CLIX!

For **Saturday** and **Sunday** morning you can buy a breakfast at Kirchenwirt in Koppl for 9€/person each. This might be suitable for people staying in the gym (across the street) or at the campground (800m).

**Saturday** lunch will be at the relay race-track - in the Restaurant at the Salzburgring for 8,5€/person from 13:00 to ca. 14:45.

As dinner we will have a grillparty there - 15€/person and 7,5€/children under 14years. There will be a vegetarian option for lunch as well as dinner.

There will be a DJ - but unfortunately we can stay at the Salzburgring only until 22:30 because of security reasons... I guess we will be tired anyway ;-)

### Accommodation at the gym

The accommodation at the gym is free and provided by Koppl. As mentioned before there is only one sanitary unit so you will have to organize times for female / male use. Please do not leave any valuables in the gym as it will not be locked or guarded. Please be careful with the facility and keep it clean - thank you ahead

### Specials

Our main partner - Kickbike - has sponsored us a Kickbike Racemax and a Kickbike Racemax 28. The woman and man positioned in the middle<sup>1</sup> of the marathon on sunday - throughout the categories - will obtain this price.

Velodoc is offering a free maintenance service for your footbikes at the European Footbike Championship 2017 - during sprints on Friday / during relay on Saturday afternoon / and on Sunday before the marathon. You will be charged only material needed! -> velodoc.at
